Contemporary emulation in mystic woodland sanctum for children New building for 3-group Sofie Haug Children's Day-Care Centre in Tübingen Designed by Dannien Roller Architekten + Partner for the city of Tübingen, the Sofie Haug opened on the city's Rosenauer Weg in 2022. With a walkout basement set into a slope, the two-storey hybrid-timber building forms an architectural focal point which pays almost perfect homage to the ambitiously mod- elled terrain while ensuring the mature...
