Prize	Honorable Mention in Architectural Design / Commercial Architecture
Company/Firm	Dannien Roller Architekten
Lead Designer	Dipl.-Ing. Maren Dannien
Architect	Dannien Roller Architekten
Location	Tuebingen, Baden-Wuerttemberg, Germany
Project Date	October 2020

The neo-classical building conversion and extension blend into the historical context of the old town while retaining autonomy of style. The new building distinguishes itself from the old building with modern architecture language, yet forms a natural, integral part of the existing topography. Unfinished plaster matches the natural stone walls in the surrounding area. The green roofscape contrasts with the sculptural building structure, respectfully embedded into the terraced slope of Schulberg.
